

Oregon City Chamber of Commerce Exhibit Regulations

1. Membership in Three Rivers Artist Guild (“TRAG”) is current.
2. Both 2D artists and 3D artists are welcome to participate. This Gallery will not be manned by Artists, so we are unable to offer binned items, jewelry or cards.
3. Art will be exhibited for two to three months, mirroring the TRAG Gallery rotation schedule duration, at Oregon City Chamber of Commerce, 615 High Street #102, Oregon City. Artwork may not be removed without approval of the Chamber Gallery Committee.
4. The art does not need to be juried so we ask the artist to present appropriate subject matter. All artwork must be original and made by the submitting Artist. Depending on the dimensions and number of participants, Artists may submit between 3 and 8 pieces.
5. All artwork must be ready to hang on the wall with appropriate wire and either framed or finished in a professional manner. On the reverse side of work, there must be the Artist’s name, phone number and other contact information along with the title and a price if for sale.
6. Artists must provide a one-page Artist Statement with photo of the Artist, and a dozen business cards.
7. The Chamber Gallery Committee, and/or Oregon City Chamber of Commerce has the right to accept or reject any artwork due to size limitations, content or quality.
8. Art In/Out: Artists will be scheduled for a 20-minute appointment to bring their art in or pick it up, to maintain COVID gathering/social distancing restrictions. Masks are required. If you miss your appointment, alternate arrangements have to be made with the Chamber Gallery Committee, preferably prior to your appointment.
9. Sales: If works sell, the Artist is responsible to coordinate with Buyer and keeps 100% of sale. Artist is responsible for shipping and billing. Artist will replace work with another comparable piece and provide all inventory information to the Chamber Gallery Committee.
10. While every effort is made to safeguard the works, TRAG is not responsible for any missing or damage to artworks. All works are exhibited in public spaces which are locked during non-work hours.

The Chamber Gallery Committee consists of:
